Richards Sentenced to Another Month for Obtaining Money Under False Pretences.

INSANE MAN FROM CANADA

Brought Back to This State and Put in Asylum—Deaths of Well-Known People.

[Special to The Times-Dispatch.]
PETERSBURG, Va., December 30.—After serving one term in the city jail, Carl Richards, a young white man claiming to be from Washington, D. C., was convicted in the Mayor's Court this morning of obtaining money under false pretences, and was sentenced to the Saturday Evening Post. His first term in jail for a like offense has just expired.

An insane negro named Anthony Banks, a native of Virginia, was brought to this city Saturday afternoon by an officer from London, Province of Ontario, Canada, where the authorities learned that he was from this State, and decided to send him back. After examination by a committee of lunacy in this city Banks has been sent to the Central State Hospital.

The Election Confirmed.
The Hustings Court, in accordance with the report of the Rev. Dr. J. M. Pletcher, special commissioner of the court in the Harrison Street Colored Baptist Church case, has, on application by proper authorities in the congregation, confirmed the election of Andrew Brown, Washington, Hatchett, John Hurt, John Faulkner and Berthier Turner, as trustees of the church, in place of the trustees who were deposed by the anti-Tart party during the factional fight in the congregation.

Another false alarm of fire was turned in last night from box 43, on upper Sycamore Street, where this office has been committed several times recently. The department was brought out about quarter past 12 last night, but no fire could be found. A big fire scare was occasioned about the same hour Saturday night by a cloud of smoke hanging over the big Appomattox Trust Company building, on North Sycamore Street. A careful examination of the building revealed no fire, and it is supposed that the banking of the furnace fire caused a quantity of smoke, which hung low in the heavy atmosphere.

BECOMES OUR THIRD CITY

With Corporation Extension Effective To-day, Lynchburg Steps Up.

[Special to The Times-Dispatch.]
LYNCHBURG, Va., December 30.—With the tolling of the midnight hour to-morrow night Lynchburg will become the third city in population in the State, the annexation order of Judge Anderson, of Clifton Forge, entered at Lynchburg several weeks ago, becoming effective at that hour.

South Lynchburg, a portion of Durham, West End, a portion of Dearington and West Lynchburg and of Rivermont are the suburbs to come into the city. About 6,000 people and more than \$2,000,000 in taxable values will have been added to the city.

About 1,200 acres come with the extension. About 500 acres were added in 1902, giving the city about 3,000 acres in the new limits. Roanoke will still have more than 40 acres in her boundaries than the Hill City.

Not a few persons predict that Lynchburg will show 35,000 people in the census of 1910, an increase of nearly 50 per cent. since 1900.

BRIGHT TOBACCO GROWERS

Mutual Association to Be Continued Another Year.

[Special to The Times-Dispatch.]
DANVILLE, Va., December 30.—A called meeting of the Mutual Protective Association of Bright Tobacco Growers of Virginia and North Carolina was held here to-day, at which time plans were made for a continuance of the association for another year. The object of the association is to obtain higher prices for tobacco by the organization of the farmers and getting them to hold the product.

President H. O. Kerns and others made speeches to-day, in which they attacked the American Tobacco Company for being responsible for the low prices paid for tobacco. Speaking of the investigation by the government of the American Tobacco Company, one of the speakers said that the result would be that it would be imposed, and that it would have to be paid by the producers of tobacco.

NOT OPPOSE BROWNLOW

Thought That He Will Be Renominated Without Opposition.

[Special to The Times-Dispatch.]
BRISTOL, Va., December 30.—The Republican Executive Committee of the First Tennessee District has fixed February 15th as the date for a primary election to nominate a candidate for Congress. The committee meeting, at which this was decided, was held at Jonesboro, the home town of Congressman Brownlow. The committee members are without exception friends of the Congressman, and the meeting amounted to a Brownlow love-fest.

It is not believed that Brownlow will have opposition, since he defeated two men at the last election, and since Daniel Swann, who is considered the most formidable man who might make the race against the Congressman, has stated that he is not a candidate, and that he will support Brownlow.

[Special to The Times-Dispatch.]
ONANCOCK, Va., December 30.—Rev. B. He will enter upon his duties in his new field with the opening of the new year.

Over 5,000 people have accepted Christ and been baptized into the fellowship of the Baptist Churches under his preaching.

The church at Onancock has greatly increased in membership and gifts for missions during his pastorate.

[Special to The Times-Dispatch.]

Such an officer reached Shenandoah shortly after James had secured his release from the jail at Harrisonburg, but strangely made no inquiry whether he had come to Staunton and turned himself over to the authorities here where James was being held on twenty days' sentence for drunkenness and disorder.

NORFOLK WILL HAVE METERS FOR WATER

Contract Let Under Which Nearly 4,000 Will Be Put in for About \$50,000.

PATIENT THAT NOBODY WANTS

Hospital Authorities Regard Him as Harmless, but Those of Almshouse Do Not.

[Special to The Times-Dispatch.]
NORFOLK, Va., December 30.—An announcement was made to-day by the Board of Control that they had closed a contract for the purchase of water meters for the city of Norfolk, and that the appropriation of \$50,000 made by Council would secure something like 2,500 meters and boxes, owing to the extremely reasonable price secured, and that the company will accept the bonds of the city in payment at par. The price secured is much more reasonable than the lowest bid offered in the competition for the contract.

The purchase was made through Mr. J. Drummond & Co., of Norfolk, and the meters are to cost \$8.40 each, for 5-8 inch iron dia. meters, with 3-4 inch connections, and \$12.50 for the 3-4 size, delivered f. o. b. in Norfolk.

The company agrees to furnish with each meter \$5.40, accepting bonds in payment, the money to be used in providing meter boxes and installing the system. The city obligates to take at least 3,000 meters.

Neither Wants Him.

Superintendent of the Eastern State Insane Hospital, wants the Board of Control of Norfolk to admit Barrett Potter to the local almshouse, declaring him to be harmless and capable of work. The controllers, on the other hand, charge that he is dangerous, and that while an inmate of the almshouse recently he cut one man, fractured the skull of another, and was continually raising disturbances. They refuse to accept him from the hospital authorities. The hospital physicians declare him an epileptic.

Various Offenders.
John T. Lewis and M. W. Moss were arraigned in the police court to-day on the charge of selling liquor on Sunday at the Lone Star Club, in the rear of a house on Church Street. Chief Bouche charged the regular bar was in operation. The final hearing in the case was continued until Saturday.

Harry Smith, colored, who was arrested in Baltimore last week for the local authorities, was arraigned before Judge of Probation, this morning, and sent on to the Hustings Court without bail on a murder charge. It is charged that he shot and killed "Trim" Brown last July, and that the deed constituted murder.

Burglars are opening extensively in the suburban residential sections, despite the closest patrolling of the police. Last night, in South Norfolk, the following residences were entered and robbed: George T. Tilley, Dr. J. P. Jackson, the Rev. Q. C. Davis and W. E. Walker.

WAS A PRACTICAL JOKE

No Foundation for Report That Dr. Gilkerson Used Sunday School Funds.

[Special to The Times-Dispatch.]
LEXINGTON, Va., December 30.—As the result of a practical joke played on himself, Christmas, Dr. W. H. Gilkerson, a well-known physician of Buena Vista, finds it necessary to explain a report that he himself put in circulation among some of his friends to the effect that he had used \$500, which constituted a Sunday school excursion fund, of which he was one of the custodians. Before leaving Buena Vista Christmas Day on a visit to his former home in Phoenixville, Pa., Dr. Gilkerson wrote a note, in which he said he had used the money referred to in thinking that his friend would understand the joke. Several other friends were in the joke, and nothing was thought of the matter until a report appeared in a Richmond afternoon paper that Dr. Gilkerson had disappeared with this money.

The money in question, \$500, was placed in the Lynchburg Bank by Dr. Gilkerson and Malcolm Penke, who were resident and secretary-treasurer of the executive committee of the Union Sunday School Association of Buena Vista, and this money was the profits of excursions run at different times. A letter was received in Buena Vista to-day from Mr. Penke, who is now living in Lexington, saying that the money was intact in the bank. The telegram received to-day from Dr. Gilkerson states that he will be in Buena Vista to-morrow. The affair is a regretted, and was the outcome of an overzealous newspaper correspondent, who failed to verify the rumors. Dr. Gilkerson is prominent in Buena Vista and is president of the City Council.

PORTRAIT OF JESSE READY TO BE HUNG

Painting of the Distinguished Educator to Be Placed in Courtroom of His Native County.

ALSO ONE OF T. EDWARD DALE

Third Man to Fill Position of Clerk of County Court—Masons Elect Officers.

[Special to The Times-Dispatch.]
LANCASTER, Va., December 30.—Hon. T. R. B. Wright, judge of the courts in this circuit, has received information that the portrait of Dr. Richard H. Jesse, president of the University of Missouri, which is to be hung on the walls of Lancaster Court-house, is about completed. President Jesse is a native of Lancaster county, having been born and reared at Epping Forest, the home of Mary Ball, nee, Esquire of the same county. He is a distinguished master of arts graduate of the University of Virginia, and has achieved an eminent distinction both as a scholar and administrator at the great institution over which he presides. It is expected that the presentation speech at the unveiling exercises will be made by Professor Frederick Fleet, LL. D., superintendent of Culver Military Academy in Indiana. Dr. Jesse is also a native of Virginia and a master of arts of our university. He was for many years professor of Greek in the University of Missouri, where he was associated with President Jesse. His pioneer ancestor in Virginia was "Captain Henry Ball, Esquire," one of the first representatives of Lancaster county in the ancient House of Burgesses, having been elected to that honorable position in 1653.

The County's Third Clerk.
Another portrait soon to adorn the walls of Lancaster Court-house is that of T. Edward Dale, clerk of Lancaster County Court from 1825 to 1882, being the third in succession to fill the honorable position. This portrait will be presented by Dr. Joseph L. Miller, of Thomas, Va., who is a descendant of Dale. Dr. Miller, who is a native of this State, and who received his professional education at the University of Medicine in Philadelphia, is an enthusiastic antiquarian, and recently spent some time here investigating the old records of Lancaster, which extend back to the broken series to the year 1652, the year in which Lancaster was organized as a county.

While here Dr. Miller visited a number of places of historic interest, among them the Christian Church, near Kilmarnock, built by Robert (King) Carter in 1730. Dr. Miller gave it as his opinion that this is the best preserved of the old colonial churches in Virginia that he has seen, and he has seen nearly all of them. King Carter's marble tomb, which he saw in 1832, said was the most perfect of the kind then to be seen in Virginia, was totally wrecked about twenty years ago by some vandals that hoped to find in it valuable jewels, which tradition said had been buried with King Carter.

Masons Elect Officers.
Lancaster Union Lodge of Masons at Kilmarnock has elected the following officers for the ensuing year: T. O. Smith, master; Myer Schwartzmann, senior warden; Albert Noblett, junior warden; Raleigh W. Chilton, treasurer; Frederick W. Claybrook, secretary; George Sanders, senior deacon; Frank S. Chaso, junior deacon; John B. Waters, liler.

Mr. James Saunders, one of the most venerable and widely known residents of Lancaster county, who has been seriously ill at his home in Walnutton, is reported to be much better. "Uncle Jimmie," as his friends and neighbors love to call him, has long been a noted character in these parts. He has been a famous fox hunter and an active and energetic Democratic politician from his early youth, being a striking figure in district and State conventions of his party.
